

Personal Webpage Instruction Sheet

“Run for Someone Else’s Life”

Samaritans 5K Run/Walk & Family Fun Festival

Once again, we are excited to offer teams and individuals a chance to collect and track donations online! This will allow participants to have their own link on our website that you can direct people to for information about your 5K efforts and to make online pledges.

On this page you will be able to:

- Tell people why this cause is important to you
- Post a picture of your team or a person you are memorializing – (you can also use one of firstgiving’s stock images, if that works better for you)
- Set your financial goal for how much you would like to raise.

The good news is...it is very easy to set up. Please follow the link on our website or go to www.firstgiving.com/samaritans5k with the following information:

- Your page name or team name
- A picture or image of your choosing
- A paragraph on why you are involved with this event, who you are participating for (if anyone), and why Samaritans is important to you
- Your financial goal for the event

To see an example of a team page please visit the 5K page on our website at www.samaritanshope.org/5K.html and click on Georgie’s Gang.

Once you have your page set up, you can email the direct link to people who you think might be interested in your efforts. If you have any questions please call Beth Schultz at 617-536-2460.
