**Boston SafePlace Directions**

We are located very close to the Park Street stop on the MBTA Red and Green lines (B, C or D lines). Exit the T station, cross Tremont St. going away from the Boston Common. Go right on Tremont Street. Go one block beyond the old Center to West Street. Look for the green awnings in the middle of the block. Enter at West Street #33.

Because we are located in a part of the city in which it can be difficult to find parking, we recommend that you travel by T if possible. However, there may be metered parking and parking in local garages for a fee.
